

## EXCLUSIVE OPENING & VISIT OF UFFIZI GALLERY

This Uffizi Gallery and Vasari Corridor Guided Visit exclusive opening is a not-to-be-missed opportunity to combine the visit of two among the most important sites in the world. An emotional itinerary through art masterpieces and breathtaking views over the Arno river and the hills around the city.

You will reach the elegant Uffizi Palace, designed by the architect Giorgio Vasari. The museum is considered one of the most important in the world, hosts a plenty of invaluable works of art, like the Birth of Venus and the Allegory of Spring considered the maximum symbol of sublime beauty.

A face to face encounter with artists that doesn't exist in any other museum in the world, a discovery that will print an indelible memory of Florence in your mind forever.
