

## EXCLUSIVE FRAGRANCE CREATION by 'LAURA TONATTO'

Perfume is such a personal choice and having your own unique blend is something really exclusive.

We invite you at the Olfactory Gallery in Piazza di Pietra 41 in Rome where the staff of Laura Tonatto Profumi Italiani will guide you in the creation of your fragrance!

In addition to CREATION OF FRAGRANCE, we'll deepen our knowledge of olfactory families. This includes teaching materials, raw materials to create the scent and the equipment for the packaging of the perfume.
